Overview of Rotary and Rotaract

The Rotary Mission

- A. provide service to others,
- B. promote integrity, and
- C. advance world understanding, goodwill and peace
- D. through our fellowship of business, professional and community leaders

What is Rotaract?

Rotaract is a service club for men and women aged 18 and above who are dedicated to finding innovative solutions to the world's most pressing challenges while developing professional and leadership skills.

Rotaract stands for: Rotary in Action

Motto: Fellowship Through Service

History

First chartered Rotaract Club is on March 13, 1968: Rotaract Club of North Charlotte

From 1930s to 1950s, there were many youth organisations/clubs sponsored by Rotary Club based on Rotary principles

Many Interactors (Interact was formed in 1962) who reached the age limit of that program, were starting new types of clubs called “Senior Interact”.

In 2019, Rotaract went from being a program of Rotary International to being a membership type of Rotary International, elevating its status to resemble that of Rotary clubs.

On the campus of the University of North Carolina, members of the world's first Rotaract club inaugurate a new, long-term project. They'll plant a young tree to honor each new Rotaract country and its first club. On hand to represent the Rotary Club of Charlotte are (left) Bill Kemp, Rotaract Committee Chairman, and (right) Charles Grier, Chairman of the District 767 Rotaract-Interact Committee.

Types of Rotaract Clubs

Institutional-based

Usually taken as extracurricular activities for self and professional development through service

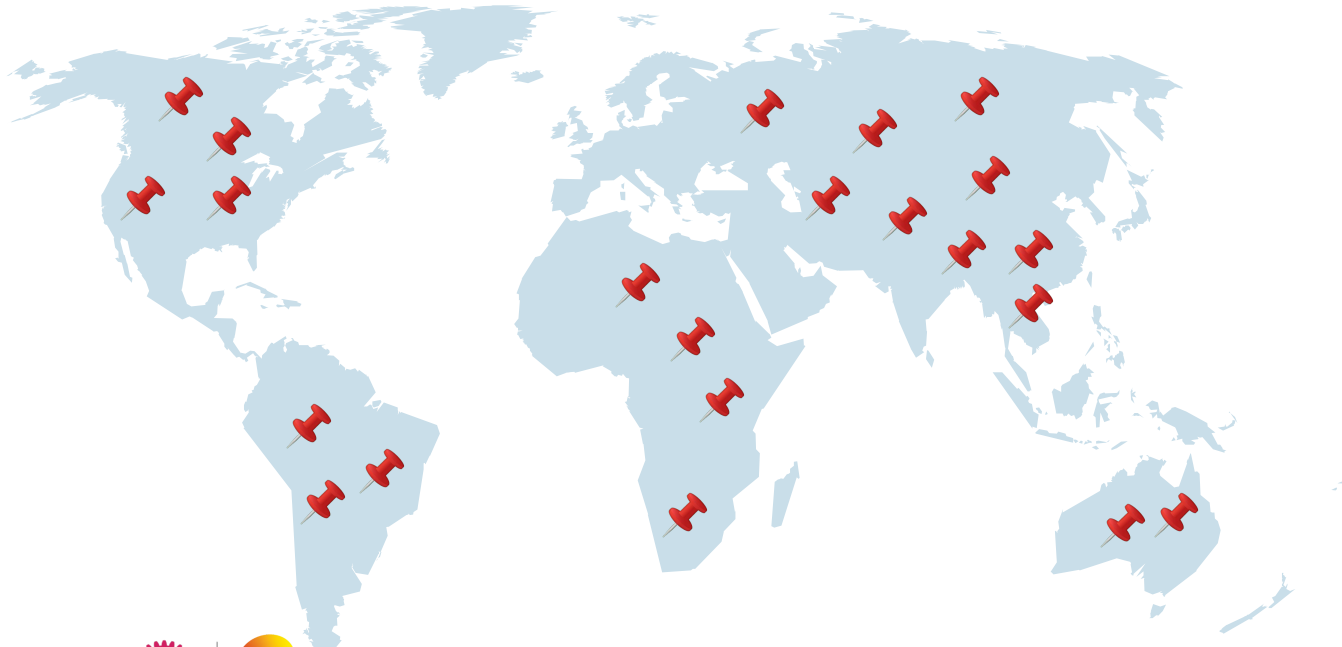

Community-Based

For youths who would like to have a platform to impact changes in their communities

We have more than 250,000 members
in more than 10,000 Rotaract Clubs worldwide!

Spread Across
184 countries
Grouped into
529 districts
